Tina Vallès | Tina is a powerful literary voice. She has received two very important awards that recognise her talent. She is mother of twins and loves to write for them for whom she has already written half dozen books.

The limits of shyness exist, but they are not there forever.

«I was the shyest human ever invented, but I had a lion inside me that wouldn't shut up!»
Ingrid Bergman

Mira is a ten years old girl, curious and very critical on the world around her. She likes to watch, but not to be watched: she is very shy. Exaggeratedly. She can't stand being the center of attention. What she really likes is to draw and with a pencil in her hand time flies by. So when her parents enrol her in her town dance academy, the world falls on her. But Mira is also brave and she will accept the challenge: who knows if dancing freely might help her and her shyness!
